

# FOREIGN EXCHANGE RATES DISPLAY

- High Visibility L.E.D.'s
- Interchangeable Magnetic Titles
- Built in Timer, Auto On/Off

- Area for Logo
- Infrared Wireless Remote
- Computer Software Available

**Radex** is one of the first Electronic Rate Boards designed and exclusively marketed for foreign exchange rates, banks' interest and CD rates. The included infrared wireless remote and available computer software for programming makes the **Radex** easy to use and effortless to update. The **Radex** features a 2" Date and Clock caption along with 1" exchange rates which any observer will find clearly visible and readable.
